

T70 COMMERCIAL TREADMILL

The FitnEX T70 Treadmill is a light commercial grade treadmill built to fit the needs of even the most extreme workout.

A personal fan is included in the control panel for your comfort.

Your personal MP3 player will also plug into the control panel so you can enjoy music while you exercise.

After starting the T70 Treadmill the yellow side handle to the right controls the speed up or down with forward/backward motion.
