#### **PSC43X** **Powerline Seated Calf Machine**

This Seated Calf Raise Machine delivers more strength, more power and more performance than any other machine in its class. Features a 3:1 ratio, specially designed foot brace and smooth, friction-free movement.

*Dimensions: 32"H x 45"L x 21"W*

- Operates on a 3:1 weight ratio for developing powerful calves
  - Angled foot platform with no-slip surface for full range of motion
  - Adjustable for all size users
-
