

GDR500

Body-Solid-Vinyl Dumbbell Rack

Features

Designed for easy storage of your Body Solid vinyl dumbbells.

Vertical storage allows over 100 vinyl dumbbells, from 1-15 pounds, stored in a compact space (42.5"W x 26.5"L x 46"H) with easy access. Heavy gauge steel tubing provides a solid and stable storage solution. Heavy-duty casters for easy transportation. The perfect companion for your Body Solid Tools Vinyl Dumbbells, the GDR500 is compact, stable and affordable.
